## TEMPI DI CRISI E SPAZI DI INNOVAZIONE Una breve storia di lungo periodo

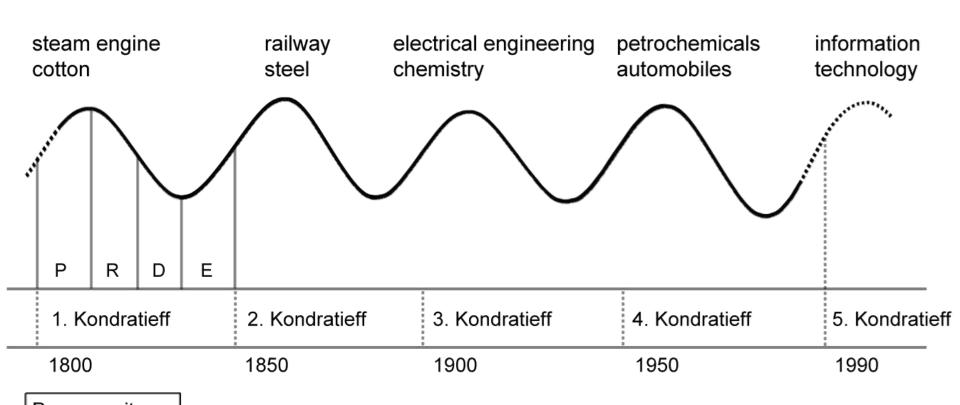

Luca Massidda

La dinamica della Storia è semplice: le forze del mercato controllano il pianeta. Ultima espressione del trionfo dell'individualismo, questa marcia trionfante del denaro spiega la gran parte dei più recenti sussulti della Storia mondiale: per accelerarla, dominarla, rifiutarla.

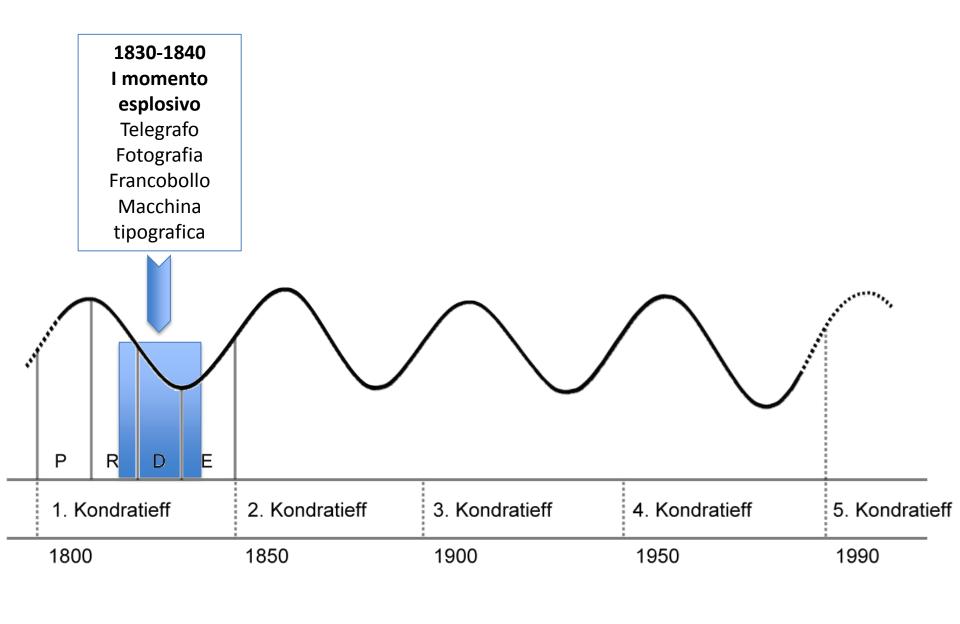

Jacques Attali, *Breve storia del futuro* 

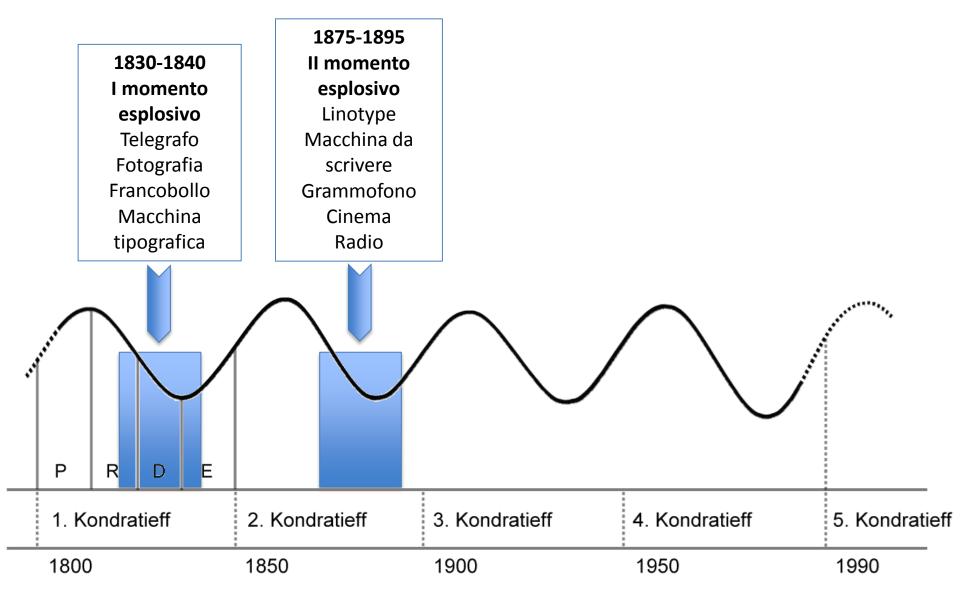

La dinamica della Storia è semplice: le forze del mercato controllano il pianeta. Ultima espressione del trionfo dell'individualismo, questa marcia trionfante del denaro spiega la gran parte dei più recenti sussulti della Storia mondiale: per accelerarla, dominarla, rifiutarla.

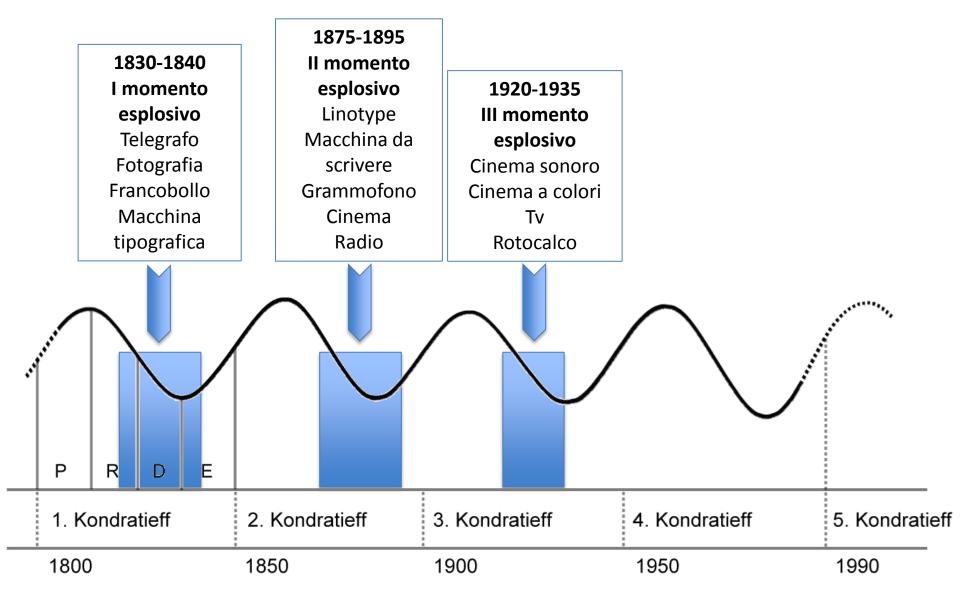

Jacques Attali, *Breve storia del futuro* 

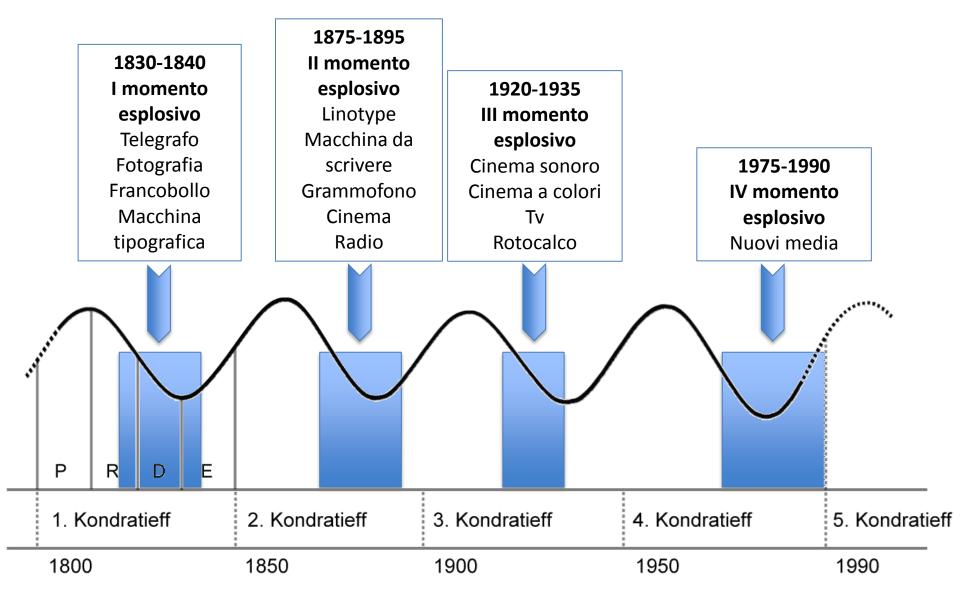

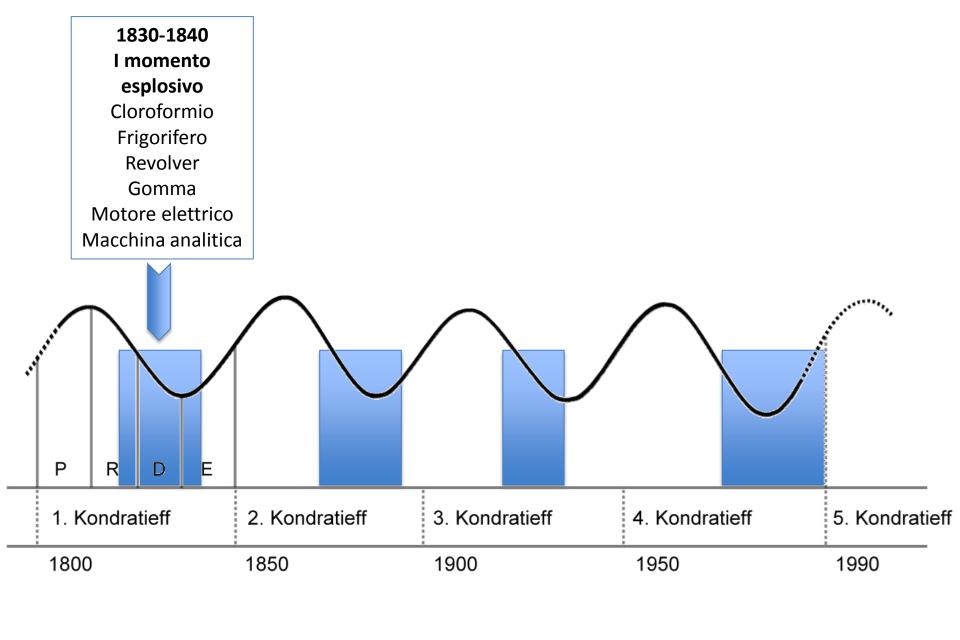

P: prosperity
R: recession
D: depression
E: improvement

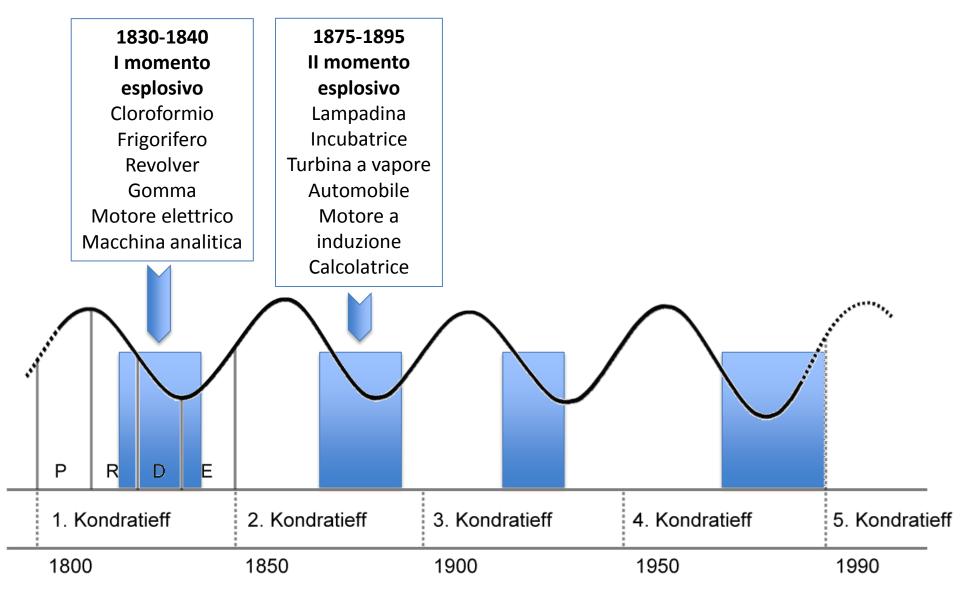

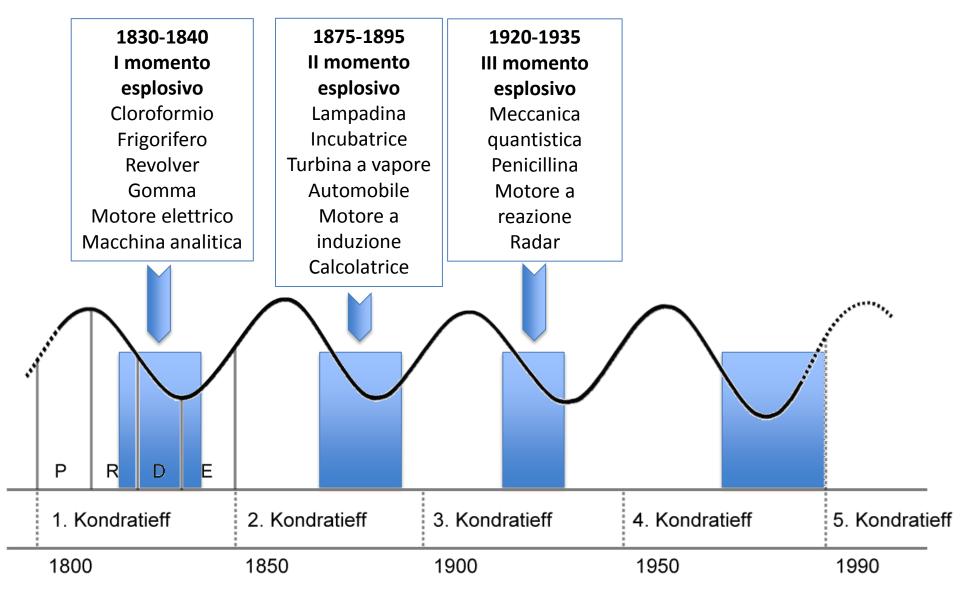

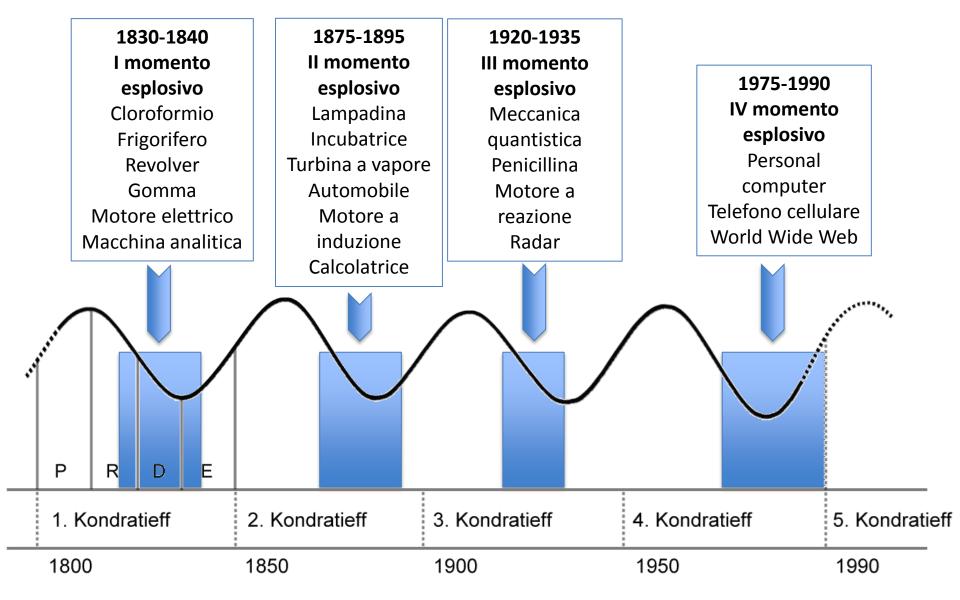

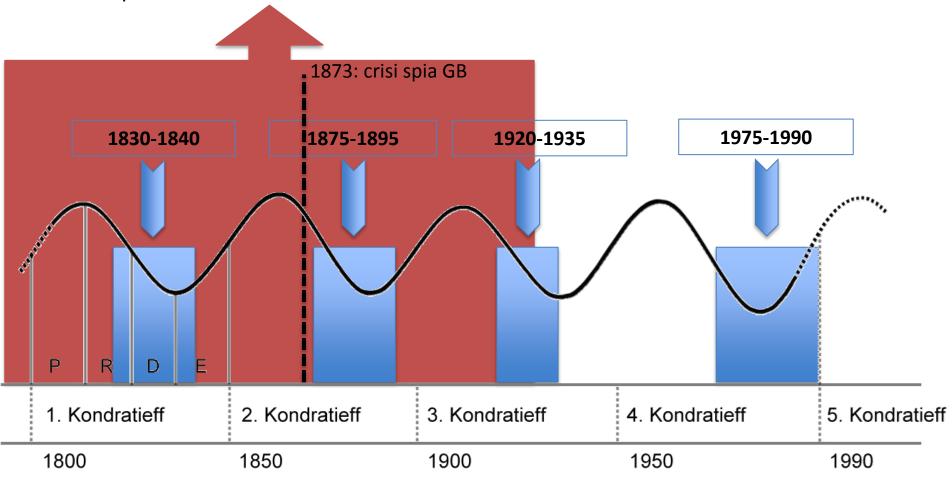

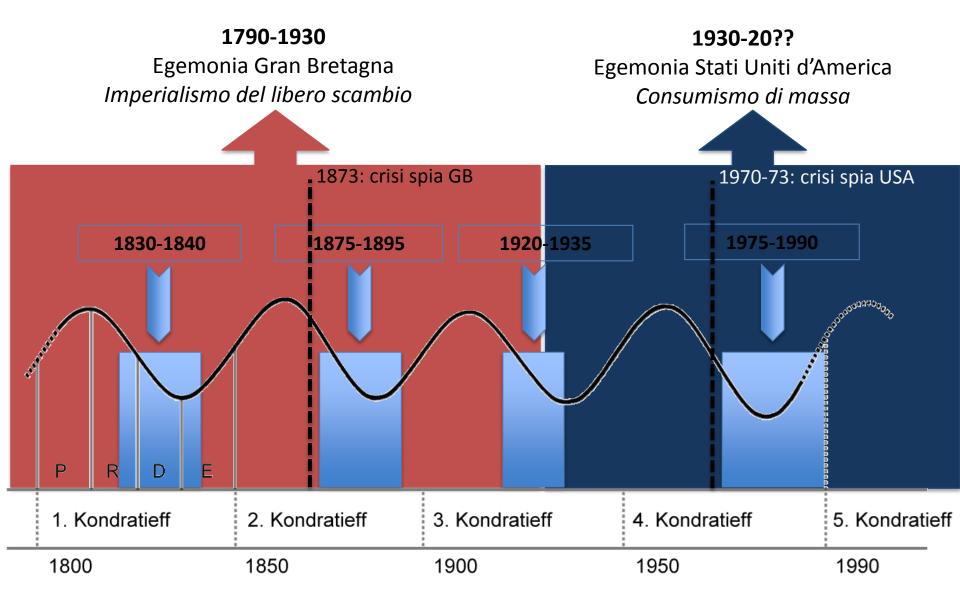

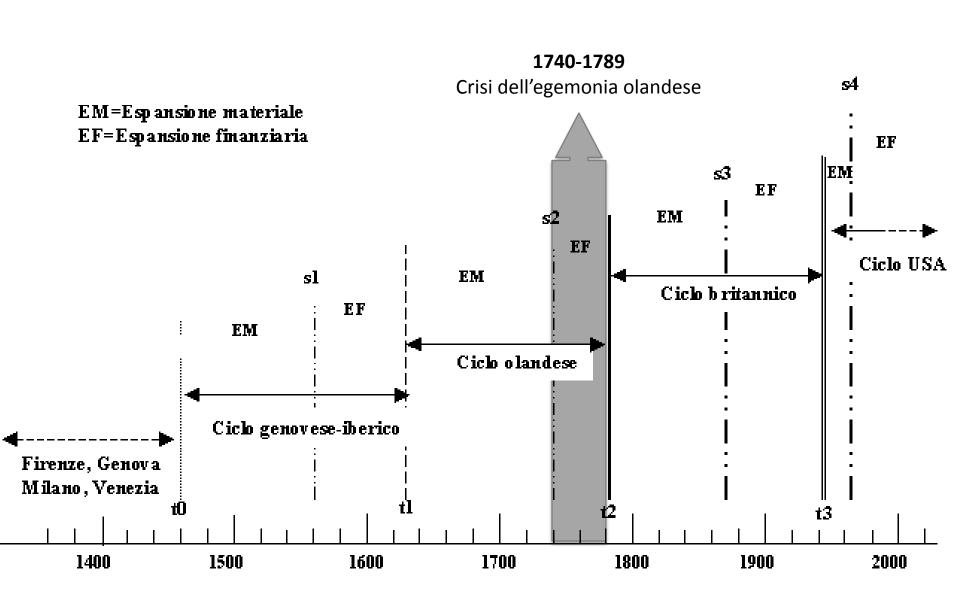

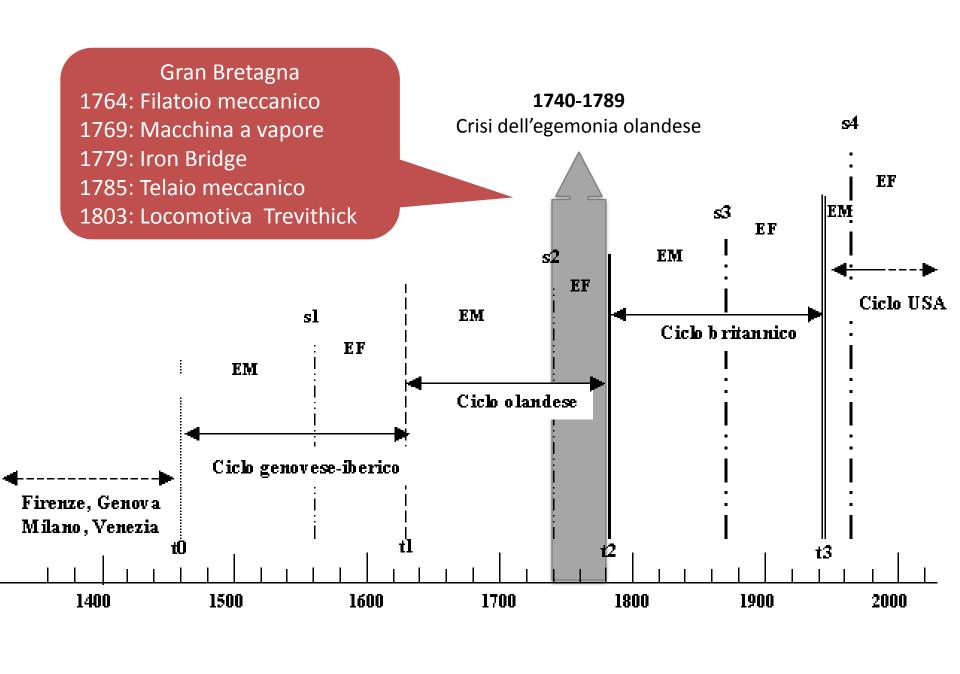

1790-1930
